

Your HR Department

Let us give you peace of mind. "Your HR Department" outsourcing package provides you with a fully outsourced HR service. You get to enjoy all the functions of an internal HR Department, available when you need them. We provide the opportunity of a fixed rate fee negotiated according to your specific needs. It is simply - Practical HR Solutions that are easy.

In providing this service we partner with Client organisations including their CEO's and Management Teams to facilitate and drive strategic business practices. Clients benefit from a planned approach, a clear methodology and a strong results focus. Transparency of results is guaranteed with benchmarks established at the beginning and measured at the end of each process.

Working with Clients over a period of time offers a manageable schedule, sustainable results and value for your investment. This provides our Clients with a full path from analysis to implementation and monitoring to ensure a sustainable shift internally.

We support Clients with recognised and accredited methods, products and services.

At EastCoast Human Resource Group we leverage existing Human Resource practices or create a sustainable human resource structure with a robust methodology supporting your business.

We have the answers to all your HR questions. Call us today.
